9 WHEREAS, the United States Postal Service is the oldest and most trusted government
10 service that binds the nation together, promotes commerce, and enables the exchange of
11 information to promote democracy; and

12 WHEREAS, the United States Postal Service is entirely supported by the sale of postage and
13 services, receiving no tax payer funding, and remains the least expensive, most efficient postal

16 the nation and in South Dakota, of which twenty percent are filled by veterans; and
